Camping

A most cordial invitation is extended to everyone to avail themselves of the splendid facilities offered for camping. The grounds used for this purpose are gently rolling, covered with a growth of native timber, well set to blue grass, electric lighted and provided with city water service, in all making an ideal camping ground. The camp grounds have been platted, the streets numbered and the avenues lettered. A Campers' Headquarters is maintained where all campers are requested to register, and a directory of those located in the camp grounds is kept giving the name and street or avenue on which tent is located.

No charge is made for the use of the camping grounds. Parties may bring their own camping outfits. A limited number of tents and cots will be available at the tent and awning companies.

All campers will be required to occupy the regular camp grounds which are fenced off from the main portion of the grounds. Positively no camping will be permitted west of the camp ground fence or on the Fair Grounds proper.

Regular admission gates have been provided, one on Grand Avenue, one on street leading to camp grounds south of old Poultry Building, and one on street south of the Boys' 4-H Club dormitory.

Campers wil be required to pay the regular admission fees when entering the main portion of the grounds through these gates.

Campers' return checks will be issued by the gatekeepers at the camp grounds entrances to campers who wish to return to their tents for meals or rest during the day. These checks will admit campers to the main part of the fair grounds, at camp ground entrances only on the day issued. Any persons attempting to abuse the camp ground return check privilege will be required to pay the regular admission fee, and will subject themselves to expulsion from the camp grounds.

No pass-out or return checks will be issued for the main outside gates. Campers who desire to visit the City during the day may leave the camp grounds through the camp ground exit gate. Pass-out return checks will be issued to campers so they may return through the camp ground exit gate. The road leading to this gate runs south to Dean Avenue from a point east of the Farm Bureau Headquarters.

The Bureau of Information in the Secretary's office will also handle lost and found articles and inquiries.

The rest rooms are large, well ventilated and comfortably furnished. The spacious porches offer a resting place for hundreds of people.

Press Bureau

The Fair will maintain a press bureau in the Administration Building with a competent person in charge. Manifold copies of the awards in the live stock departments, daily programs, special orders and announcements, official decisions and all other matters of interest to the public will be furnished to the press and radio. Representatives of the press and radio, who may be assigned to or visit the Fair, are cordially invited to make this their head-quarters and avail themselves of the facilities offered.

Radio and Television Center

The new Radio and Television Center is the beautiful new building just west of the Grandstand on Grand Avenue. It is open to the public and live radio and television programs are broadcast daily. Watch your favorite stars and announcers in person on programs of particular interest to fair patrons.

Emergency Hospital

All express shipments for delivery to the grounds should be marked and charges prepaid to Des Moines. All express sent to individuals or firms in care of the secretary will be found at the express office. Free pickup or delivery of L.C.L. shipments to or from any point within the Fairgrounds.

Express shipments will be accepted at the Fairgrounds Railway Express office for forwarding to any destination either by rail or air. Express money orders and travelers cheques may also be cashed or purchased.
